▶ **We are pleased to present our two-day Mental Health Act Section 12 Induction Course specifically designed for Psychiatrists, GPs and Forensic Medical Examiners who are seeking Section 12(2) approval under the Mental Health Act 1983 for the first time. Our course is approved by The Midlands and East of England Mental Health Act Approval Panel and therefore has recognition in all regions within England.**

Section 12(2) of the Mental Health Act 1983 requires that, in those cases where two medical recommendations for the compulsory admission to hospital of a mentally disordered person are required, one of the two must be made by a practitioner approved for the purposes of that Section by the Secretary of State as having special experience in the diagnosis or treatment of mental disorder.

The course is also designed to be of general interest to psychiatrists of all grades who wish to keep abreast of the current legislation as it provides the opportunity to discuss the practicalities and ethics of mental health legislation and will equip you with the essential knowledge for your day to day implementation of the Act.

This course will enable you to

- **Apply for or renew your Section 12 approval at your Regional Approval Panel**
- **Understand the current developments in the mental health law especially the MHA and MCA**
- **Understand the different roles, responsibilities, processes, documentation and other practical issues**
- **Appreciate the service user and carer perspective**
- **Practically apply the law to your clinical practice**
