Root Cause Analysis Investigations within Mental Health Services

We are working with an experienced NPSA trainer and a former Medical Director to enable senior staff to gain understanding of their roles when a Serious Untoward Incident occurs and to enable shared learning. [Contact us](#) for more information or to arrange an onsite course date. **Open courses** are taking place as follows:

Tuesday 26th June, Manchester
Tuesday 25th September, Birmingham
Wednesday 28th November, London

Finance for Doctors, Medical Directors and Senior Managers

The world of finance and accounting can seem daunting to those who don't have financial qualifications or a financial background and are offered as part of our onsite training provision:

- [NHS Finance in a Nutshell](#)
- [Budgeting for Doctors](#)
- [Financial Planning for Aspiring Directors](#)
- [Financial Leadership for Medical Directors](#)

Watch our free video: [Understanding Community Treatment Orders](#)

If you haven't already seen the video [register with us](#) and you can watch this video FREE. Dr Tony Zigmond has managed to explain in less than 10 minutes one of the most complex aspect of the Mental Health Act (as amended) 2007.

Consultancy Services

- Organisation - wide staff development - medical and non-medical CPD
- Education management and CPD strategies
- Course design for example: Learning sets and learner centred development – great for problem solving and service redesign
- Specialised support services for Medical Directors
 - Organisational readiness for revalidation and appraisal
 - Remediation
 - Investigations
